Political Announcements.

For President Judge of the Court of Common Pleas of the 51st Judicial District. DONALD P. McPHERSON, Gettysburg.

Subject to the Non-Partisan Primary.

In announcing my candidacy for President Judge of the Court of Common Pleas of the 51st Judicial District, I wish to thank my friends who, without regard to Party, have so generously expressed their approval of it and to assure every voter of Adams and Fulton Counties that I shall appreciate his suffrage and support.

The Judgeship is now non-partisan—made so specifically by Act of Assembly—and if nominated and elected to that high office it will be my endeavor to observe the spirit of that act and to administer the duties of the office with fidelity and impartiality, to the end that the law may be enforced and justice done.

DONALD P. McPHERSON, July 1, 1915.

J. L. BUTT, Gettysburg, Pa. To the Voters of Adams and Fulton Counties:

In announcing my candidacy for the nomination for President Judge of the Fifty-first Judicial District I desire to state that I consented to become a candidate because of the number of members of the bar who urged me to do so and pledged me their support, and while I had the matter under consideration, assurance of support and approval came from voters all over the county and district urging the step, and confiding in these assurances, I consented. The office of President Judge is the highest honor in the gift of the people of this district and carries with it the gravest responsibilities. A Judge must not only know the law and be a student of the law, but must be without prejudice and bias in the administration of the law, the rights of the humblest citizen must be as sacredly maintained as those of the most exalted or of the great corporations. He must weigh all matters carefully so that only justice and righteousness is done. The non-partisan law aimed at the highest judicial ideal in the separation of the Bench from politics and party organizations I pledge myself to the highest ideals of justice and right in the discharge of every duty if nominated and elected to preside over the Courts of this district, and as an assurance of such pledge let the life I have lived in your midst speak for itself. I will highly appreciate all support.

Most respectfully yours, J. L. BUTT.

WILLIAM McSHERRY of Adams County Pennsylvania.

To the Electors of Adams and Fulton Counties:

GENTLEMEN:—

As on the 21st of September next you will select your Candidate or Candidates for President Judge of this Judicial District, it is but fair that you should know who are mentioned for this position. My name will be among those presented for your consideration. Under the Non-partisan Act Candidates for Judge do not state their political party. I will be in fact as well as in name a non-partisan Candidate for President Judge, and I will use only honorable and legal means to secure my nomination and election. If I am nominated and elected, I will discharge the duties of my office honestly and promptly, justly and faithfully, without fear or favor to the best of my learning and ability.

Thanking you for your vote and influence, I am

Very truly your fellow citizen, WILLIAM McSHERRY.

Residence:—Germany Township. Post Office: Gettysburg, Adams County, Pennsylvania.

August 24, 1915.

Miss Ruth Stouffer of Philadelphia, is visiting the family of H. K. Markley. The heavy rains of last week did considerable damage to the roads, and badly washed some corn fields. A number of our people are attending the revival services in Hancock, conducted by Rev. Beard. During Rev. Beard's

stay in Warfordsburg he made many friends, and by his earnestness and eloquence, did much good for our community. He handles the liquor question with out gloves and his lectures are greatly appreciated by temperance people.

DUBLIN MILLS.

Prof. E. M. Gress and family who spent their eight weeks' vacation at this place have returned to their home in Edgewood.

There will be a baseball game in the afternoon, and a festival in the evening. There will likely be some good recitations by the school during the day. Some of our farmers were busy on Monday hauling phosphate from the Recitely road for Ira Lake. The friends of William Miller in this community were sorry to hear of his illness and death at Dublin Mills.

Mrs. Susan King spent a few days last week with the family of her son Albert King. A few of our people attended the Soldiers' Reunion at Hoop's Grove on last Friday. The address given by Hon. Jos. E. Thropp, of Everett, seemed to be well taken.

She is a great believer in his, and other, evangelistic work. It has been proven that the harmful newspaper reports were gotten up by liquor men. Miss Lavina Earley attended the funeral of her brother-in-law, George Fraker, at Fort L. Meador.

HERE'S PROOF.

A McConnellsburg Citizen Tells of His Experience.

You have a right to doubt statements of people living far away but can you doubt McConnellsburg endorsement?

Read it:

F. M. Taylor, civil engineer, Water St., McConnellsburg, says "I suffered from severe pains in my back and loins. My kidneys were weak and their action irregular. I was advised to use Doan's Kidney Pills. I got a box and they gave me great relief. I always take them with me when I go out of town because if I catch cold, I get a slight attack of the trouble. When this occurs I can always depend on Doan's Kidney Pills."

NEEDMORE.

Bennett Mellott and Lee Truax burnt a hunkin recently. Geo. Barber is working at the foundation of a new house at this place. We wonder who will be the lucky girl. Miss Pansy Morgret is visiting friends in this vicinity. Mr. and Mrs. Albert Mellott and children, of Philadelphia, are visiting their parents in this vicinity. We are always glad to see them come back. The health officer at Needmore is causing some discussion. Russell Peck had the misfortune to break his car just this side of Hoop's Grove and had the pleasure of walking home. Frank Mellott, our water finder, has moved his machine to where Mr. Barber is building a new house, for the purpose of making water a little harder. We feel sorry for the kind people near Dott, because of the stormy day having spoiled their picnic; but we suspect they had a feast of chicken and cake this week. Report of ball game in another column.

PLEASANT RIDGE.

Lots of rain. Dawson Truax burnt his hunkin last week. John Mellott and wife returned home Sunday evening after having visited their uncle Joe Mellott, in Big Cove. Truax, same day. John Strait and Aaron Garland took advantage of the nice day Monday and went to the fruit farm for peaches. Children's services at the Brethren church Sunday, September 5th, at 10 o'clock. Everybody welcome.

PLUM RUN.

There is much sickness here. The arrival of a 9-pound boy in the home of Mr. and Mrs. Army Peck, on August 24th, brought a smile 11 feet long. Miss Clara Daniels is spending two weeks with friends in Baltimore. Center school house is almost completed. George Bishop and wife, Mrs. Annie Robinson, and Elder C. L. Funk, were guests in the home of D. W. Mellott last Sunday.

Number Two.

A JOINT RESOLUTION

Proposing an amendment to section eight of article nine of the Constitution of Pennsylvania.

Section 1. Be it resolved by the Senate and House of Representatives of the Commonwealth of Pennsylvania in General Assembly met, That the following is proposed as an amendment to the Constitution of the Commonwealth of Pennsylvania, which reads as follows:—

"Section 8. The debt of any county, city, borough, township, school district, or other municipality or incorporated district, except as herein provided, shall never exceed seven per centum upon the assessed value of the taxable property therein, nor shall any such municipality or district incur any new debt, or increase its indebtedness to an amount exceeding two per centum upon such assessed valuation of property, without the assent of the electors thereof at a public election in such manner as shall be provided by law; but any city, the debt of which now exceeds seven per centum of such assessed valuation may be authorized by law to increase the same three per centum in the aggregate, at any one time, upon such valuation, except that any debt or debts hereinafter incurred by the city and county of Philadelphia for the construction and development of subways for transit purposes, or for the construction of wharves and docks, or the reclamation of land to be used in the construction of a system of wharves and docks, as public improvements, owned or to be owned by said city and county of Philadelphia, and which shall yield to the city and county of Philadelphia current net revenues in excess of the interest on said debt or debts, and the annual installments necessary for the cancellation of said debt or debts, may be excluded in ascertaining the power of the city and county of Philadelphia to become otherwise indebted: Provided, That a sinking fund of their cancellation shall be established and maintained," so that it shall read as follows:—

"Section 8. The debt of any county, city, borough, township, school district, or other municipality or incorporated district, except as herein provided, shall never exceed seven per centum upon the assessed value of the taxable property therein, nor shall any such municipality or district incur any new debt, or increase its indebtedness to an amount exceeding two per centum upon such assessed valuation of property, without the consent of the electors thereof at a public election in such manner as shall be provided by law; but any city, the debt of which on the first day of January, one thousand eight hundred and seventy-four, exceeded seven per centum of such assessed valuation, and has not since been reduced to less than such per centum, may be authorized by law to increase the same three per centum in the aggregate, at any one time, upon such valuation. The city of Philadelphia

upon the conditions hereinafter set forth, may increase its indebtedness to the extent of three per centum in excess of seven per centum upon such assessed valuation for all or any of the following purposes:—to wit: For the construction and improvement of subways, tunnels, railways, elevated railways, and other transit facilities; for the construction and improvement of wharves and docks and for the reclamation of land to be used in the construction of wharves and docks, owned or to be owned by said city. Such increase, however, shall only be made with the assent of the electors thereof at a public election, to be held in such manner as shall be provided by law. In ascertaining the borrowing capacity of said city of Philadelphia, at any time, there shall be excluded from the calculation a credit, where the work resulting from any previous expenditure, for any one or more of the specific purposes hereinabove enumerated shall be yielding to said city an annual current net revenue; the amount of such credit shall be ascertained by capitalizing the annual net revenue during the year immediately preceding the time of such ascertainment. Such capitalization shall be accomplished by ascertaining the principal amount which would yield such annual current net revenue, at the average rate of interest, and sinking-fund charges payable upon the indebtedness incurred by the said city for such purposes, up to the time of such ascertainment. The method of determining such amount, so to be excluded or allowed as a credit, may be prescribed by the General Assembly.

In incurring indebtedness, for any one, or more of said purposes of construction, improvement, or reclamation, the city of Philadelphia may issue its obligations maturing not later than fifty years from the date thereof, with provision for a sinking fund sufficient to retire such obligations, the payments to such sinking fund to be in equal or graded annual instalments. Such obligations may be in an amount sufficient to provide for and may include the amount of the interest and sinking-fund charges accruing throughout the period of construction and until the expiration of one year after the completion of the work for which said indebtedness shall have been incurred; and said city shall not be required to levy a tax to pay said interest and sinking-fund charges, as required by section ten of article nine of the Constitution of Pennsylvania, until the expiration of said period of one year after the completion of such work.
